The Spiritual and Artistic Expressions
Of T ibetan Monks

Art is a sacred medium to Tibetans. As the Monks demonstrate traditional Buddhist art, you will be able to appreciate the intricacies and difficulty of creating a Sand Mandala by doing your own sand painting. View the splendors of Thangka Painting and witness the molding of Tormas, flower-decorated barley offerings to the deities. The Monks will be available for private discussions. Traditional Tibetan food will be served, Tibetan music will be played, and hand crafted spiritual items will be available for sale.

Please join us in an interactive evening of art & spirituality with the Drepung Gomang Monks. Drepung Gomang Monastery was established in 1416 in Lhasa, Tibet, and is renowned as a seat of philosophical study and debate. Presently, it has been reconstructed in south India.
