

## Saka Dawa Celebration.

4th Month of Tibetan Lunar Calendar is a very Holy month as we will celebrate Saka Dawa, which is the anniversary of Buddha's birth, Enlightenment and paranirvana (passing away). It is celebrated on the full moon ( 7th June) of the 4th Tibetan Lunar calendar month.

Saka Dawa and even the whole month of 4th Tibetan Calendar month (25th May - 22nd June) is a particularly auspicious time to engage in spiritual practices, since any practice we do this month is multiplied thousandfold.

Drepung Gomang Monastery offers greetings to all our brothers and sisters on the Saka Dawa month (Wesak celebrations). And we pray that each of us, by putting the Buddha's teachings into practice in our own daily lives, may contribute to creating a happier and more peaceful world.

On this auspicious occasion we sincerely thank you and your family for your continuous support and will offering prayer for the good health, happiness and prosperity of you all.

Sincerely with blessing from  
Drepung Gomang Monastery,  
South India.
